

Aldiana Memories

I close my eyes and I start to *dream*
of paradise and how wonderful life seems
watch the sun go down at *Aldiana*

It's where friends become *family*
it's where holiday feels like *home* to me
are you ready for, get ready for this *journey*

Dieses *Lebensgefühl* unter *Freunden* zu sein
Spür die *Harmonie* hier im Sonnenschein
Fühl mich wie (Echo) *fühl mich wie*
im Paradies (Echo) *im Paradies*
Aldiana Memories

Across the ocean i'll travel to be by your side
ohohoh *Aldiana*
these are the days we'll remember for the rest of our lives
ohohoh *Aldiana*
ohohoh *This is Aldiana*
ohohoh *We're Aldiana*
ohohoh ohohoh
Aldiana Memories

Open my eyes, *there's so much to see*
every *smile* gives me *endless energy*
watch the moonlight glow at *Aldiana*
There's no place *where I'd rather be*
at *Aldiana we got everything we need*
are you ready for, *get ready for this journey*

Dieses *Lebensgefühl* unter *Freunden* zu sein
Spür die *Harmonie* hier im Sonnenschein
Fühl mich wie (Echo) *fühl mich wie*
im Paradies (Echo) *im Paradies*
Aldiana Memories

Across the ocean i'll travel to be by your side
ohohoh *Aldiana*
these are the days we'll remember for the rest of our lives
ohohoh *Aldiana*
ohohoh *This is Aldiana*
ohohoh *We're Aldiana*
ohohoh ohohoh
Aldiana Memories

Tell me if i'm only *dreaming*
why does it *feel so real* to me
my *heart* is full of *joy and happiness*
and
Aldiana Memories

Across the ocean i'll travel to be by your side
these are the days we'll remember for the rest of our lives

Across the ocean i'll travel to be by your side
ohohoh *Aldiana*
these are the days we'll remember for the rest of our lives
ohohoh *Aldiana*

our footprints in the sand
might be washed away
but *Aldiana Memories* will stay

These are the days we'll *remember*
cause *Aldiana Memories* will stay
